Sir:

In the Notice of Drawing Inconsistency with Specification mailed on October 15, 2004, it is alleged that Fig. 7 was never submitted to the Patent Office. This is incorrect. As evidenced by the attached filing receipt, Six sheets of drawings were submitted with the specification on March 6, 2002, and Fig. 7 is located on the sixth sheet.

Applicant requests acknowledgment that the application has met all formality requirements.

Respectfully submitted,
